

Step 1) - Connect your iOS device to your computer and sync it in iTunes

Step 2) - Click your device name

Step 3) - Click the "Apps" menu bar item

Step 4) - Scroll the iTunes window down to "File Sharing" and iOSEinstein shows

Step 5) - Click iOSEinstein in the Apps list

Step 6) - Click the "Add" button in the bottom-right corner of iTunes

Step 7) - Select the rom file and it should appear in the "iOSEinstein Documents" list - This is also what you do to load Newton apps to einstein. Load in the .pkg files here.
